

# C14orf140 antibody - N-terminal region

Rabbit Polyclonal Antibody

Catalog # AI13616

## Product Information

---

|                          |                                                             |
|--------------------------|-------------------------------------------------------------|
| <b>Application</b>       | WB                                                          |
| <b>Primary Accession</b> | <a href="#">Q53FD0</a>                                      |
| <b>Other Accession</b>   | <a href="#">NM_001042430</a> , <a href="#">NP_001035895</a> |
| <b>Reactivity</b>        | Human, Mouse, Rat, Pig, Dog, Guinea Pig, Horse              |
| <b>Predicted</b>         | Human, Mouse, Rat, Dog                                      |
| <b>Host</b>              | Rabbit                                                      |
| <b>Clonality</b>         | Polyclonal                                                  |
| <b>Calculated MW</b>     | 51658                                                       |

## Additional Information

|                                     |                                                                                                                                                                                                    |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>                      | 79696                                                                                                                                                                                              |
| <b>Alias Symbol</b>                 | FLJ23093, FAM164C, C14orf140                                                                                                                                                                       |
| <b>Other Names</b>                  | Zinc finger C2HC domain-containing protein 1C, ZC2HC1C, C14orf140, FAM164C                                                                                                                         |
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                  |
| <b>Reconstitution &amp; Storage</b> | Add 50 ul of distilled water. Final anti-C14orf140 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | C14orf140 antibody - N-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                           |

## Protein Information

---

|                 |                    |
|-----------------|--------------------|
| <b>Name</b>     | ZC2HC1C            |
| <b>Synonyms</b> | C14orf140, FAM164C |
