

# C2orf53 antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI13850

## Product Information

---

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Application       | WB                                                    |
| Primary Accession | <a href="#">Q53SZ7</a>                                |
| Other Accession   | <a href="#">NM_178553</a> , <a href="#">NP_848648</a> |
| Reactivity        | Human                                                 |
| Predicted         | Human                                                 |
| Host              | Rabbit                                                |
| Clonality         | Polyclonal                                            |
| Calculated MW     | 44690                                                 |

## Additional Information

---

|                          |                                                                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene ID                  | 339779                                                                                                                                                                                           |
| Alias Symbol             | MGC44505                                                                                                                                                                                         |
| Other Names              | Proline-rich protein 30, PRR30, C2orf53                                                                                                                                                          |
| Format                   | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                |
| Reconstitution & Storage | Add 50 ul of distilled water. Final anti-C2orf53 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| Precautions              | C2orf53 antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                               |

## Protein Information
