

# KBTBD11 Antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI16079

## Product Information

---

|                          |                                                       |
|--------------------------|-------------------------------------------------------|
| <b>Application</b>       | WB                                                    |
| <b>Primary Accession</b> | <a href="#">O94819</a>                                |
| <b>Other Accession</b>   | <a href="#">NM_014867</a> , <a href="#">NP_055682</a> |
| <b>Reactivity</b>        | Human, Mouse, Rat, Guinea Pig, Bovine                 |
| <b>Predicted</b>         | Human, Mouse, Rat, Pig, Guinea Pig, Bovine            |
| <b>Host</b>              | Rabbit                                                |
| <b>Clonality</b>         | Polyclonal                                            |
| <b>Calculated MW</b>     | 65720                                                 |

## Additional Information

---

|                                     |                                                                                                                                                                                                        |
|-------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>                      | 9920                                                                                                                                                                                                   |
| <b>Alias Symbol</b>                 | KLHDC7C                                                                                                                                                                                                |
| <b>Other Names</b>                  | Kelch repeat and BTB domain-containing protein 11, Chronic myelogenous leukemia-associated protein, Kelch domain-containing protein 7B, KBTBD11, CMLAP, KIAA0711, KLHDC7C                              |
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                      |
| <b>Reconstitution &amp; Storage</b> | Add 50 $\mu$ l of distilled water. Final Anti-KBTBD11 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at -20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | KBTBD11 Antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                                     |

## Protein Information

---

|                 |                          |
|-----------------|--------------------------|
| <b>Name</b>     | KBTBD11                  |
| <b>Synonyms</b> | CMLAP, KIAA0711, KLHDC7C |
