

# CT47B1 Polyclonal Antibody

Purified Rabbit Polyclonal Antibody (Pab)

Catalog # AP55417

## Product Information

---

|                   |                          |
|-------------------|--------------------------|
| Application       | IHC-P, IHC-F, IF, ICC, E |
| Primary Accession | <a href="#">P0C2W7</a>   |
| Reactivity        | Human                    |
| Host              | Rabbit                   |
| Clonality         | Polyclonal               |
| Calculated MW     | 31319                    |

## Additional Information

---

|             |                                                                                                                                                                                                 |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene ID     | 643311                                                                                                                                                                                          |
| Other Names | Cancer/testis antigen 47B, Cancer/testis antigen 47.13, CT47.13, CT47B1, CT47.13                                                                                                                |
| Dilution    | IHC-P=1:100-500,IHC-F=1:100-500,ICC=1:100-500,IF=1:100-500,ELISA=1:5000-10000                                                                                                                   |
| Format      | 0.01M TBS(pH7.4) with 1% BSA, 0.09% (W/V) sodium azide and 50% Glyce                                                                                                                            |
| Storage     | Store at -20 °C for one year. Avoid repeated freeze/thaw cycles. When reconstituted in sterile pH 7.4 0.01M PBS or diluent of antibody the antibody is stable for at least two weeks at 2-4 °C. |

## Protein Information

---

|          |                                       |
|----------|---------------------------------------|
| Name     | CT47B1 ( <a href="#">HGNC:33293</a> ) |
| Synonyms | CT47.13                               |
