

# Olfactory receptor 2T11 Polyclonal Antibody

Catalog # AP71502

## Product Information

---

|                   |                        |
|-------------------|------------------------|
| Application       | WB, IF                 |
| Primary Accession | <a href="#">Q8NH01</a> |
| Reactivity        | Human                  |
| Host              | Rabbit                 |
| Clonality         | Polyclonal             |
| Calculated MW     | 34797                  |

## Additional Information

---

|                    |                                                                                                                                         |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Gene ID            | 127077                                                                                                                                  |
| Other Names        | OR2T11; Olfactory receptor 2T11; Olfactory receptor OR1-65                                                                              |
| Dilution           | WB~~Western Blot: 1/500 - 1/2000. Immunofluorescence: 1/200 - 1/1000. ELISA: 1/5000. Not yet tested in other applications. IF~~1:50~200 |
| Format             | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.09% (W/V) sodium azide.                                                           |
| Storage Conditions | -20°C                                                                                                                                   |

## Protein Information

---

|                   |                                             |
|-------------------|---------------------------------------------|
| Name              | OR2T11                                      |
| Function          | Odorant receptor.                           |
| Cellular Location | Cell membrane; Multi-pass membrane protein. |

## Background

---

Odorant receptor.

## Images

---

Western Blot analysis of MCF-7 cells using Olfactory receptor 2T11 Polyclonal Antibody
