

Phospho-CBL (Ser669) Rabbit mAb

Catalog # AP78911

Product Information

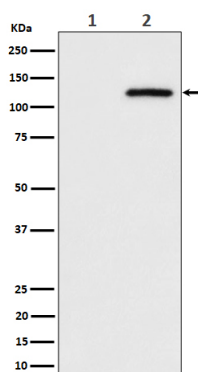

Application	WB
Primary Accession	P22681
Reactivity	Rat, Human, Mouse
Host	Rabbit
Clonality	Monoclonal Antibody
Isotype	IgG
Conjugate	Unconjugated
Immunogen	A synthesized peptide derived from human Phospho-CBL (S669)
Purification	Affinity Chromatography
Calculated MW	100 KDa

Additional Information

Other Names	CBL
Dilution	WB~~1/500-1/1000
Format	Liquid in 10mM PBS, pH 7.4, 150mM sodium chloride, 0.05% BSA, 0.02% sodium azide and 50% glycerol.
Storage	Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.
