

Phospho-RIP3 (Ser232) Rabbit mAb

Catalog # AP78926

Product Information

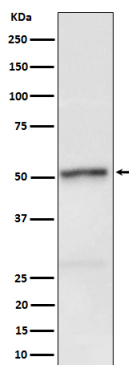

Application	WB
Primary Accession	Q9Y572/Q9QZL0
Reactivity	Mouse
Host	Rabbit
Clonality	Monoclonal Antibody
Isotype	IgG
Conjugate	Unconjugated
Immunogen	A synthesized peptide derived from human Phospho-RIP3 (S232)
Purification	Affinity Chromatography
Calculated MW	53 KDa

Additional Information

Other Names	RIPK3/Ripk3
Dilution	WB~~1/500-1/1000
Format	Liquid in 10mM PBS, pH 7.4, 150mM sodium chloride, 0.05% BSA, 0.02% sodium azide and 50% glycerol.
Storage	Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.
